

# INDIAN INSTITUTE OF MANAGEMENT SAMBALPUR

## SUMMER PLACEMENT REPORT

MBA BATCH (2022-2024)

# FOREWORD

IIM Sambalpur's 8th MBA batch of 2022-24 has achieved a 100% placement for its outgoing batch of 193 students. The average salary has gone up by 6.14%, reaching Rs. 65,382, while the median salary has also risen, reaching Rs. 40,000. These impressive numbers are a testament to the institute's innovative pedagogy and unique location, which have played a crucial role in preparing students for success in the real world.

The highest stipend secured this year is an impressive Rs. 2,00,000. The average stipend of the top 25% batch has also increased significantly from Rs 1,20,413 to Rs. 1,35,270. Furthermore, female students have excelled with an average stipend of Rs. 69,256, while male candidates have an average of Rs. 63,310.

The largest batch size of the outgoing cohort participated in the placement, with Sales & Marketing emerging as the most popular sector, attracting over 49.14% of the batch, followed by Operations with 22.29%. The students were also offered prominent roles in Finance, HR, and Operations domains. The positions offered include R&D Intern, Summer Intern, social media intern, BD and Policy intern, Team manager, and so on.

This year's placement season witnessed participation from over 50 recruiters, with an increase of 36 first-time recruiters aiming to find the best talent available on campus. The top recruiters include Adani, Vedanta, Aditya Birla, Cognizant, ICICI, EY, Gartner, HDFC, Dice, V-Guard, SBI Life Insurance, RBI, Daimler, IntelliSmart Infrastructure Private Limited, Parry Enterprises, and many more.

Prof. Mahadeo Jaiswal, Director IIM Sambalpur, expressed his gratitude towards the industry stalwarts for their support and belief in the caliber of students and the institute's unique academic culture. Overall, the outstanding placements of the 2022-24 batch at IIM Sambalpur demonstrate the institute's commitment to providing students with the skills and knowledge needed to succeed in their chosen careers.
