About IIM SAMBALPUR

“The institution's 200-acre permanent campus, nestled amidst hills and rivers, features state-of-the-art architecture that harmoniously combines IKAT, a traditional textile-dyeing technique deeply rooted in Sambalpur's heritage, with contemporary design elements.”

Accreditations

Honourable Prime Minister of India, Shri Narendra Modi ji, graced the occasion and laid the foundation stone for the permanent campus of IIM Sambalpur via video conferencing on 2nd January 2021. In a remarkably short period, the permanent campus of the Indian Institute of Management Sambalpur has been erected on an expansive land measuring approximately 200 acres in Basantpur village near Goshala, of Sambalpur City. Conveniently located, it is 5 km from Hirakud Railway Station, 27 km from the District Headquarters Sambalpur, and 55 km from Jharsuguda Airport.

Inspired by the vision of Prof. Mahadeo Jaiswal, the founding director of IIM Sambalpur, the campus stands out with its remarkable integration of regional art. Notably, Odisha's traditional IKAT—a patterned textile-dyeing technique—is elegantly mapped onto the brick facade, reflecting the vibrant colours of the state's soils.

The entire institute is equipped with Wi-Fi internet and centralized air conditioning. The 4-star GRIHA-rated sustainable campus adheres to energy-efficient and ecologically sensitive principles of development. Measures such as the use of Dual Flushing Cisterns, water-efficient

urinals, showers, faucets, etc., contribute to reducing domestic water consumption. The campus is designed to be 100% daylit in regularly occupied living areas, with fresh air-ventilated interior spaces. Treated water from the Sewage Treatment Plant (STP) is efficiently utilized for irrigation and flushing. Photovoltaic solar power panel rooftop installation and the incorporation of LED lighting and Energy Conservation Building Code (ECBC) compliant electric appliances, including DG Sets, transformers, lifts, pumps, motors, etc., ensures a significant reduction in electricity consumption.

The campus boasts several key structures, including the Koutilya - Administration Building, Thakshasila 1 and 2 - Academic Blocks, Konark - Auditorium Block, I2 Hub: Incubation, Innovation and Library, Faculty Block, and MDP Block, which includes a Guest House. All buildings were facilitated with ramps and restrooms for the persons with physically challenged. The Library operates 24/7. Each lecture hall is equipped with traditional chalkboards, digital boards, and blended boards. Additionally, lecture notes are seamlessly transferable to students' individual mobile phones.

Why? IIM SAMBALPUR

We at IIM Sambalpur aim to harness its significant potential as a business school to create a unique culture of management education, distinguishing itself and building a global reputation for exceptional quality. Our guiding principles, represented by the 3Is of Innovation, Integrity, and Inclusiveness, steer our mission. This mission encompasses advancing management and business knowledge through research, nurturing a wide spectrum of managerial skills in our students, promoting social and environmental responsibility, and fostering ethical decision-making. To achieve these objectives, we employ innovative teaching techniques and actively seek collaborations with industry, government, societal organisations, and global academic institutions to enhance our nation's entrepreneurial potential.

IIM Sambalpur is a premier choice, known for cultivating responsible, entrepreneurial leaders. The institute offers state-of-the-art facilities, a diverse range of managerial competencies, ethical reasoning, and cutting-edge teaching methodologies. Through our collaborations with industry, government, and global academic institutions, we contribute to strengthening our country's entrepreneurial capacity. Choosing IIM Sambalpur is an investment in a comprehensive and transformative education that equips graduates for success in the ever-evolving business landscape.

Message from the DIRECTOR

“Beyond the confines of traditional education, we actively encourage our students to partake in live projects with industry, government, and NGOs, providing them with a comprehensive field experience.”

At IIM Sambalpur, we are wholeheartedly committed to cultivating a culture that thrives on experimentation, innovation, and collaboration within the realm of management education. Central to our philosophy is the cultivation of innovation-driven entrepreneurship, a driving force behind the rapid socio-economic growth and sustainability of our society. IIM Sambalpur partnered with US-based Breakout Learning Inc. to integrate AI into its management education, becoming the first Indian B-school after Harvard to use AI in classroom case studies, enhancing student engagement via AI-facilitated small group discussions, offering access to premium cases (Harvard, Ivey), and co-creating AI-generated cases. Beyond the confines of traditional education, we actively encourage our students to partake in live projects with industry, government, and NGOs, providing them with a comprehensive field experience.

It is with great enthusiasm that I introduce our eleventh and twelfth cohorts of PGPM (MBA) students, a collective of 600+ individuals, each hailing from diverse backgrounds.

These exceptional individuals are currently undergoing intensive academic training while skillfully balancing multiple responsibilities. In addition to their academic pursuits, our students are actively engaged in various clubs, committees, and interest groups. They enthusiastically participate in business competitions and interact with industry experts, honing their abilities to address intricate organisational and business challenges through hands-on management education.

I extend a heartfelt invitation to your esteemed organisation to visit IIM Sambalpur. This presents a valuable opportunity to interact, explore, and engage with our dynamic academic community as part of your campus engagement programme. Together, let us forge a partnership to collaborate, innovate, and distinguish ourselves in the world of academia and industry.

With warm regards,

Prof. Mahadeo P. Jaiswal
Director, IIM Sambalpur

Message from the PLACEMENT CHAIR

We express our sincere thanks to our valued corporate partners and stakeholders for their steadfast support in strengthening our corporate ties and improving recruitment engagement. We're proud to introduce the eleventh and twelfth batches of our full-time residential MBA programme at IIM Sambalpur. These cohorts, comprising diverse and dedicated students, are eager to take on leadership roles.

Our programme's structure, teaching methods, diverse curriculum, rigorous courses, and demanding academic schedule shape our participants to become future managers and leaders. Through our extensive corporate engagement programme, students gain hands-on experience, insights into industry trends, and develop crucial behavioural competencies and social skills. As the Chairperson of the Placement Committee, I am honoured to extend a cordial invitation to your esteemed organisation to partake in our endeavors to foster positive corporate relations and enhance recruitment engagement at IIM Sambalpur. We eagerly anticipate the opportunity to establish a sustainable partnership with your organisation and wholeheartedly recommend our promising future managers for your kind consideration.

Prof. Soumya Guha Deb
Chairperson - Placement, IIM Sambalpur

Message from the CCRO

At IIM Sambalpur, we envision corporate relations as a strategic partnership that creates value for industry, academia, and society. Guided by our philosophy of innovation, integrity, and inclusivity, we are committed to fostering meaningful engagements that bridge classroom learning with real-world business challenges. Students at IIM Sambalpur are equipped with a growth mindset, entrepreneurial spirit, and a strong sense of purpose, which enable them to contribute effectively in a fluid global climate. We sincerely invite our corporate partners to collaborate with us in nurturing future-ready progressive leaders, driving innovation, and co-creating sustainable impact for a better tomorrow.

PROGRAMMES OFFERED

Full-Time Residential Programmes

01 MBA

- Two-year post-graduate programme.
- Designed to prepare participants as global responsible leaders with an entrepreneurial mindset.
- Follows a combination of online and traditional classroom methods in the form of flipped classrooms.
- Offers immersive learning through case studies, live projects, industry interactions, and peer discussions.

02 MBA – Business Analytics (MBA-BA)

- Two-year full-time programme delivered at IIM Sambalpur Delhi Centre, with an optional Dual-Degree track at AIT, Thailand.
- Offers business analytics, data-driven decision-making, and strategic management—preparing students for careers in analytics, data science, and consulting.
- Prepares students for roles in analytics consulting, data engineering, business intelligence, and tech-driven managerial positions.

03 B.S. in Data Science & Artificial Intelligence

- Four-year undergraduate degree with a strong foundation in mathematics, AI, machine learning, programming, and business fundamentals.
- Designed for data-driven careers across technology, finance, business analytics, automation, and research.
- Emphasizes practical learning with labs, industry projects, and internships.
- Designed for careers in fintech, automation, tech consulting, and big data analytics.

04 B.S. in Management & Public Policy

- Four-year undergraduate programme integrating management studies with governance, economics, policy design, and regulatory frameworks.
- Ideal for students aiming for careers in public administration, development sector, social entrepreneurship, policy consulting, and sustainability.
- Includes fieldwork, policy simulations, and exposure to government regulatory frameworks.

05 PhD (Full-Time)

- Four-year doctoral programme for aspiring academicians and researchers.
- Provides rigorous training in advanced methodologies, quantitative/qualitative research, and domain specialization.
- Prepares students for careers in academia, research think-tanks, and research-oriented industry roles.

In-campus Training Programmes

IIM Sambalpur offers MDP in all functional areas of management based on company requirements.

- MDP on 'Art of Self-leadership and managerial effectiveness' for senior management MCL.
- MDP on 'Strategic leadership for senior management, MCL.
- MDP on 'Saksham – Leadership Competency framework' for IOCL.
- MDP on Enhancing Academic Leadership Skills: A Training & Mentoring Programme for CBSE Principals and Vice Principals.

Part-Time / Blended Programmes for Working Professionals

01 Executive MBA

- Two-year degree programme designed for working executives.
- Blended mode with online and offline classes designed for working executives.
- Specialisation in functional areas with emphasis on digital innovation, strategic thinking, and leadership.
- Enables professionals to upgrade managerial skills without interrupting their career.

02 MBA for Working Professionals (Delhi Centre)

- Two-year blended programme offered at IIM Sambalpur Delhi Centre (ISID, Vasant Kunj).
- Tailored for mid-career managers, entrepreneurs, and working executives.
- Offers contemporary specializations like Data Science, Product Management, Sustainability, Entrepreneurial Innovation, and Financial Analytics.
- Flexible weekend/online delivery with optional international exposure or dual-degree opportunities.

03 PhD in Management for Working Professionals

- Doctoral programme designed for senior working professionals and industry practitioners.
- Enables executives to pursue rigorous research and contribute to management theory while continuing their jobs.
- Blended learning with weekend sessions, advanced coursework, and research mentoring.

04 Executive PhD & DBA (Dual-Degree)

- Unique dual-degree programme offered in collaboration with IIM Sambalpur and IAE Bordeaux University School of Management (France).
- Designed for senior leadership seeking global doctoral recognition.
- Participants are awarded an **Executive PhD** from IIM Sambalpur and a **DBA** from the partner international university.

05 Executive MBA in Fintech

- 18-month dual-degree programme tailored for working professionals, delivered in blended mode (online and in-person sessions).
- Covers FinTech-focused curriculum: blockchain, AI/ML, cryptography, digital finance, regulatory and technical aspects of financial services.
- Offers an opportunity for entrepreneurship or intrapreneurship in FinTech, along with alumni status of IIM Sambalpur.

Campus INFRASTRUCTURE

45-90
-seat classrooms

High-speed Wi-Fi
-enabled campus

1,000-seat
-capacity auditorium

500-seat
-capacity open amphitheatre

Academic building

Embark on a transformative academic journey at IIM Sambalpur, where excellence converges with innovation within our cutting-edge Academic Block. Here, classrooms ranging from 90 to 45 seats provide a tailored learning experience, enhanced by smartboards, projectors, and audio-visual systems for interactive and engaging lessons. Beyond conventional teaching, we offer hands-on experiences with 3D models and virtual simulations. Our Academic Block is designed for comfort, going beyond regular classrooms to make a lively learning space that helps students succeed!

Library

Inspired by Jorge Luis Borges' vision of paradise, IIM Sambalpur strives to create a knowledge hub within its state-of-the-art library. The Learning Resource Centre houses an extensive collection of books, e-books, periodicals, journals, project reports, theses, newspapers, and databases. Students and faculty collaboratively engage in knowledge creation and sharing, facilitated by resources such as ACE Equity, Bloomberg Businessweek, JSTOR, and a Bloomberg Terminal.

Faculty block

Our Faculty Block is equipped with cutting-edge infrastructure to support both teaching and research endeavours. Every faculty member has a private office furnished with high-speed internet and essential resources, creating an optimal environment for productivity. These spaces are equipped with the latest equipment and software, aiding faculty members in their teaching and research pursuits. Furthermore, the layout of the Faculty Block encourages one-on-one interactions, providing students with the opportunity to seek personalized guidance from their esteemed professors.

Hostel

Within the institute's campus, there are ten hostels—five for boys and five for girls—set against the backdrop of stunning hills that never cease to captivate. The rooms are well-ventilated, air-conditioned, and fully furnished, offering each student a bed, wardrobe, mattress, study table, and chair. High-speed Wi-Fi is available throughout the campus. Additionally, each hostel has its own common room equipped with TVs and Table Tennis facilities, meeting the recreational needs of the students.

i-Hub (Innovation & Incubation Centre)

Established in 2020, IIM Sambalpur's I-Hub fosters entrepreneurship by incubating and launching startups, with six already successful. Upgraded in 2024 as a Section-8 entity, the I-Hub Foundation functions as a physical and virtual incubator, offering office space, shared facilities, mentoring, and access to networks in logistics, finance, legal, and marketing. Spanning over 10,000 sq. ft., it partners with leading academic and corporate institutions, empowering entrepreneurs to create ventures with both economic and social impact.

Auditorium

On the campus of IIM Sambalpur, our cutting-edge auditorium is a versatile facility, capable of hosting a range of events including seminars, conferences, workshops, and cultural performances. With a seating capacity of 1000, it boasts the latest audio-visual equipment, including a spacious stage with a sound system, lighting system, and projector. The backstage area is well-equipped with dressing rooms and storage space, ensuring seamless event management. The auditorium also offers air conditioning and comfortable seating arrangements for attendees, along with a lobby featuring a concession stand and restrooms. These exceptional features render the IIM Sambalpur Auditorium an ideal venue for a diverse range of events, serving as a valuable asset to the college community.

Open Amphitheatre

Our campus open amphitheatre at IIM Sambalpur serves as a focal point for intellectual and cultural events. With a seating capacity exceeding 500, it is equipped with modern facilities to host guest lectures, annual conclaves, and various cultural events. The auditorium provides a conducive environment for knowledge dissemination and cultural enrichment.

Classroom

The learning journey at IIM Sambalpur begins within our cutting-edge classrooms, where innovation meets education. With a total of 8 classrooms accommodating 90 students each and an additional 4 classrooms with a 45-seater capacity, we prioritize creating an enriching academic environment. Equipped with the latest technology and high-speed internet connectivity, our classrooms foster interactive learning experiences. Notably, IIM Sambalpur pioneers the concept of the Flip Classroom, emphasizing learning outside traditional settings, often within industry premises.

Gymnasium

Recognizing the importance of a holistic approach to education, IIM Sambalpur houses a modern gymnasium. Designed to accommodate the busy academic schedules of our students, the gym is equipped with the latest exercise and fitness equipment. This facility encourages students to maintain an active and healthy lifestyle, promoting overall well-being alongside their rigorous academic pursuits.

Mess

Nourishment is integral to academic success, and at IIM Sambalpur, our student mess ensures a balanced and diverse culinary experience. Situated within the hostel premises, the mess caters to both vegetarian and non-vegetarian preferences. The Mess Committee diligently oversees hygiene and food quality, ensuring that students enjoy a healthy mix of Indian dishes from various regions.

Sports and Recreation Facilities

At IIM Sambalpur, our commitment to holistic development extends to our sports and recreation facilities. These amenities are designed to cater to the diverse interests of our student community, providing a professional and conducive environment for physical fitness and recreational pursuits.

- **Astro Turf Football Ground:** The artificial turf ensures consistent playing conditions, providing an ideal environment for both casual matches and organized competitions.
- **Badminton Courts:** Our dedicated Badminton Courts offer well-lit, professional-grade facilities for enthusiasts to refine their skills and engage in friendly games. Whether you are a novice or a seasoned player, these courts are designed to cater to various skill levels.
- **Table Tennis Setup:** Equipped with high-quality tables and professional lighting, this facility accommodates intense matches and fosters an environment conducive to skill development.
- **Astro Turf Volleyball Court:** The purpose-built court provides a consistent surface for spirited matches, allowing players to showcase their skills in a competitive yet enjoyable setting.
- **Common Plot for Events:** Our versatile Common Plot serves as the hub for sporting events and recreational activities. Designed for flexibility, this open space accommodates various events, from sports festivals to team-building exercises, fostering a sense of community among students.
- **Lawn Tennis:** Surrounded by the scenic beauty of the campus, these courts offer a serene yet competitive setting for tennis enthusiasts to engage in matches and enhance their game.
- **Squash Court:** A modern indoor court promoting agility, stamina, and fitness for both beginners and enthusiasts.
- **Basketball Court:** An outdoor court fostering team spirit, strategy, and sportsmanship through regular matches.

INTERNATIONAL Immersion

Office of International Relations (OIR)

The Office of International Relations (OIR), IIM Sambalpur, serves as the institute's global engagement hub, fostering international collaborations, academic partnerships, and cross-cultural learning opportunities for students and faculty. Through strategic alliances with leading universities across the world, OIR enables students to gain global exposure, build international networks, and develop a broader perspective on business and leadership.

Student Exchange Programme

OIR facilitates semester-long student exchange programmes with partner universities across Europe, Asia, and other regions. Selected students spend a semester abroad while earning academic credits, experiencing diverse teaching methodologies, and developing intercultural competencies. The office manages the complete exchange process, including nominations, documentation, coordination with partner universities, and student support.

International Immersion Programmes

The International Immersion Programmes provide short-term global learning experiences through university visits, industry interactions, corporate engagements, and cultural exposure. Students gain firsthand insights into international business ecosystems, innovation practices, and global management perspectives while interacting with multinational organisations, academic institutions, and industry experts.

ELITE Guest Sessions

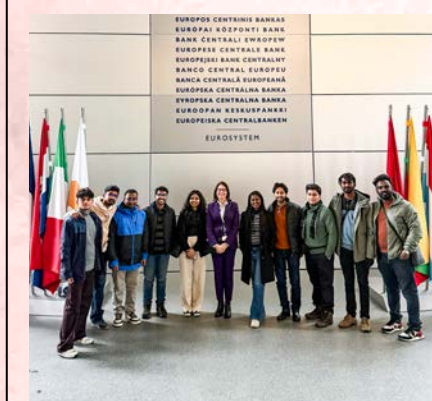

The ELITE (Executive Learning through International Thought Exchange) Guest Session Series connects students with renowned global academicians, industry leaders, entrepreneurs, and policymakers. These interactive sessions cover emerging business trends, global economic developments, leadership, sustainability, innovation, digital transformation, and international management practices, enriching classroom learning with real-world global perspectives.

AIT Dual Degree Programme

The AIT Dual Degree Programme, offered in collaboration with the Asian Institute of Technology (Thailand), provides students the opportunity to earn an internationally recognized dual degree while studying in a multicultural academic environment. The programme combines rigorous academics with global exposure, international networking, research opportunities, and enhanced career prospects, preparing students for leadership roles in global organisations.

OIR's Impact

- Strengthens global academic collaborations through international university partnerships.
- Creates opportunities for international mobility, experiential learning, and cross-cultural exchange.
- Enhances students' employability through global exposure and international academic credentials.
- Bridges academia and industry by facilitating interactions with distinguished international experts.

LEADERSHIP & GUEST Events Talks

At IIM Sambalpur, leadership is not just taught; it's experienced. Through a series of impactful leadership talks and guest sessions, industry stalwarts, CXOs, and visionaries from globally renowned organisations engage with our students. These sessions offer invaluable insights into real-world business challenges, emerging industry trends, and personal leadership journeys. They bridge the gap between academia and the corporate world, fostering a culture of curiosity, adaptability, and thought leadership.

Alumni SUCCESS STORIES

Binaya Bhusan Panda

2021 - 2023

Chief Executive Officer
Averner Capital

“The learning experience at IIM Sambalpur has helped me to refine my leadership perspective and strengthen my ability to lead with greater effectiveness.

Enhanced my strategic thinking, decision-making, and organizational leadership by reinforcing the importance of values such as acceptance, accountability, collaboration, and continuous learning.

Interactions with distinguished faculty and experienced peers have provided diverse perspectives on addressing complex business challenges.

The insights helped me to build high-performing teams, drive innovation, navigate uncertainty, and create sustainable value for all stakeholders while leading my organization with greater confidence, purpose, and long-term vision.”

Pankaja Pawar

2020 - 2022

Senior Consultant
EY Parthenon

“My time at IIM Sambalpur was the turning point that reshaped my professional trajectory. Coming into MBA here, I was looking to build the strategic depth needed to compete at the highest level. What made the difference was the faculty — their guidance took me beyond textbook frameworks into the real depth of each subject, their support enabled me further to build a network to unlock career opportunities. That foundation opened doors I once considered out of reach. It equipped me to break into top-tier consulting with EY-Parthenon, and to earn a place on Razorpay's strategy team. More than placements, IIM Sambalpur shaped me into a strategy & consulting leader — one who solves problems with clarity, structure, and conviction. I'll always be grateful for how meaningfully it accelerated my career.”

Rupesh Tiwari

2015 - 2017

Head of Sales - Saudi, Qatar,
Oman, Kuwait & Bahrain
Allen Overseas

“My career has been centred around building and scaling technology-led products and businesses across telecom, cybersecurity -IT & Edtech. From contributing to the nationwide rollout of Jio Point, leading product and business initiatives at Accops, to launching and expanding education markets across the GCC, every role has strengthened my ability to solve complex business problems through innovation, partnerships, and execution.

My journey at IIM Sambalpur was transformative. Every case study challenged me to think from multiple perspectives, evaluate diverse business scenarios, and make balanced strategic decisions. The collaborative learning environment broadened my approach to leadership and sharpened my ability to navigate ambiguity - skills that continue to shape my work as a product and business leader. IIM Sambalpur has been an important catalyst in my continuous pursuit of learning, innovation, and creating meaningful business impact.”

Devan Bhalla

2015 - 2017

Associate Director
Attero

“As a first batch alum of IIM Sambalpur (PGP2015-'17), I have always found every learning from the classroom being implemented in real-world scenarios, be it for directing GTM of a billion-dollar B2B product line to rolling out hyperlocal brand stories for a D2C. Every aspect of the IIM pedagogy and experience has been instrumental in giving perspective and drive to everything being undertaken in my journey across industry, business, and content creation. IIM Sambalpur is indeed an experiential centre of excellence.”

Aryan Roy

2022 - 2024

Manager - Capital Markets &
Custody Business
ICICI Bank

“Manager – Capital Markets & Custody Business at ICICI Bank | Handling Custody, Clearing, Settlement & Asset Servicing Operations for FPIs, AIFs, PMS & Mutual Funds across Equity, Fixed Income & Derivatives Markets.”

Abhishikta Das

2023 - 2025

Global Supply Chain Engineer
Micron Technology

“My time at IIM Sambalpur has been one of the most rewarding phases of my life. Beyond academics, it gave me a vibrant and enriching environment where I learned from exceptional faculty, inspiring peers, and diverse experiences that challenged me to think differently. Besides, the collaborative culture helped me build confidence, improve my leadership and problem-solving skills, and develop a broader business perspective. Today, as a Global Supply Chain Engineer in the semiconductor industry, I often draw upon the knowledge and mindset I gained at IIM Sambalpur to navigate complex challenges and make informed decisions. More than just a degree, IIM Sambalpur gave me lifelong connections, invaluable experiences, and the confidence to grow both personally and professionally. I will forever be grateful for the impact IIM Sambalpur has had on my life and career, and the ocean of opportunities my alma mater has provided.”

Arnab Sarkar

2019 - 2021

Manager- Strategic Expansion
Jubilant Foodworks Limited

“My journey from an Engineer to leading strategic initiatives has been shaped by continuous learning, adaptability, and a passion for creating business impact. After my MBA, I transitioned into supply chain leadership roles at Flipkart, Tata Digital, and currently Jubilant FoodWorks, where I drive strategic expansion and demand planning for leading QSR brands.

My time at IIM Sambalpur was a defining chapter in this transformation. The institute's experiential learning approach, distinguished faculty, and collaborative peer network broadened my strategic perspective and strengthened my leadership capabilities. Beyond academics, IIM Sambalpur instilled the confidence to embrace complex challenges, think innovatively, and lead with purpose. I remain deeply grateful to my alma mater for laying the foundation of a rewarding career and inspiring me to create meaningful impact in the ever-evolving world of businesses.”

Reshu Priya

2020 - 2022

Sr. Product Manager
JP Morgan Chase

“My journey at IIM Sambalpur was much more than earning a management degree—it was a transformative experience that shaped both my career and my personality. Balancing a demanding full-time role with academics taught me the art of multitasking, prioritization, and resilience. Being actively involved in committee work gave me opportunities to build meaningful relationships, collaborate with diverse peers, and develop leadership skills beyond the classroom. One of the greatest takeaways was learning alongside some of the brightest minds—people who constantly challenged themselves to achieve extraordinary things. Their ambition, ideas, and perspectives inspired me to think bigger and push my own boundaries. The knowledge I gained, the lifelong friendships I built, and the memories created on campus continue to stay with me. IIM Sambalpur didn't just contribute to my professional growth; it gave me experiences and relationships that I will cherish for a lifetime.”

Student SOCIAL & CULTURAL CIRCLES

Consiglio – The Consulting Club

Consiglio – The Consulting Club of IIM Sambalpur empowers students with strategic thinking and real-world problem-solving through company-sponsored projects and expert-led sessions. The club bridges academia and industry via case interviews, framework workshops, and case discussions. Flagship events include VIVITSA, E-stratega, and Guess-it-Mate, along with national and intra-college case and guesstimate competitions. Consiglio also drives Consulting Cohorts, panel discussions, and placement prep initiatives, making it a key launchpad for aspiring consultants.

Echo – The Social Impact Committee

ECHO – The Social Impact Club of IIM Sambalpur champions compassion-driven change through initiatives like Umang, a joyful event for children; Give for Good, supporting underprivileged families; and Swasth Sakhi, promoting menstrual health among young girls. From tree plantations and cleanliness drives under Swachhta Pakhwada to life-saving Blood Donation Drives, nature walks, and bird nest installations—ECHO nurtures community, empathy, and sustainability, making a quiet yet powerful impact on and beyond campus.

Emporia – The Marketing Club

Emporia- The Marketing Club of IIM Sambalpur, is a home where marketing minds are nurtured, brands are playfields, and creativity meets commerce. From the buzzing Ballyhoo Street to high-stakes national competitions like Pronigma and BrandBaazi, and insightful Round Table Conference with industry leaders — Emporia blends learning with experience, passion with purpose.

Alphabeta – The Product Management Club

At AlphaBeta, we nurture future product leaders by bridging classroom learning with real-world strategy through innovation bootcamps, design sprints, and expert-led workshops. Our flagship events — Udbhavanam and The Ultimate PM and — offer immersive, national-level exposure to the evolving landscape of product management.

Alumni Affairs Committee

The Alumni Affairs Committee serves as a vital bridge between the institute and its distinguished alumni, fostering meaningful connections through initiatives like AMC mentorship sessions, the flagship city chapter event Aikyam, the campus interaction series Insight Out, and Smriti—our annual alumni meet on campus. These events promote mentorship, celebrate shared memories, and strengthen lifelong bonds with the alma mater.

Bears n Bulls – The Finance Club

Bears n Bulls – The Finance Club of IIM Sambalpur cultivates future finance leaders through high-impact initiatives such as national competitions like *Equinotch*, *MudraBazar*, and *StockSpark*, insightful writing platforms like *Vistaar*, and exclusive industry collaborations with CMT, CFA Institute, and NSE Academy. Through a blend of experiential learning, real-time market simulations, and expert-led sessions, the club fosters financial literacy, strategic thinking, and investment acumen across campus and beyond.

Harmonix

Harmonix – The Official Band of IIM Sambalpur, is the soul of IIM Sambalpur's cultural spirit, uniting musically gifted students to create unforgettable experiences through live performances at flagship events, jamming sessions and fests. From soulful melodies to high-energy gigs, the band fosters creativity, collaboration, and a rhythm that resonates across campus.

Industry Relations Committee

At IRC, we open doors to the real world of business. The Industry Relations Committee is the bridge between Academia and the industry. We organise Marmagya - the flagship business conclave of IIM Sambalpur along with guest lectures, podcasts, filtered conversations, and industry visits throughout the year. IRC strives to provide students with continuous exposure to industry insights, trends and thought leadership.

Neeti – The Public Policy Club

NEETI: The public policy club of IIM Sambalpur is dedicated to demystifying the policy landscape within the student cohort. We achieve this through Niti Manthan, a series of guest sessions, Vivaad, offering simulated policy interventions, and Policy Crossroads, a case competition initiative, all designed to empower and cultivate policy literacy with a practical understanding of governance frameworks.

Infrastructure & Mess Committee

IMC – The silent squad that actually manages! From hostel peace to mess menu polls, festival feasts to midnight negotiations—we turn chaos into comfort. If it's working smoothly, chances are we fixed it. We also scout vendors for the shopping complex—be it laundry service, printing services, salon, cafes or restaurants—push for a functional health centre, maintain campus hygiene, and negotiate (sometimes endlessly!) with the administration to secure the amenities students deserve. Because campus life shouldn't be messy—it should feel like a second home.

Innovation & Entrepreneurship Cell

With hands-on involvement in startup incubation via IHub, IEC drives innovation on campus and curates the flagship event Navyug—a platform where founders, VCs, and students collaborate through open forums and real-world problem-solving.

Technospark – IT & eSports Committee

TechnoSpark is the official IT & Esports Committee of IIM Sambalpur, responsible for managing and enhancing the institute's digital ecosystem. We develop and maintain campus-wide tech solutions, while also organizing competitive esports events that foster collaboration and strategy.

Kalakriti

Kalakriti is the creative heartbeat of IIM Sambalpur, celebrating cultural diversity through vibrant festivals and inclusive events that honor and respect every tradition and belief.

Magnum Opus

Magnum Opus – The Arts Club of IIM Sambalpur is where creativity takes center stage, dazzling with its signature Fashion Show, soulful Open Mics, and the cultural symphony of Sanskriti Sangam — a canvas for students to paint their passion across art, music, and performance.

Pixel

Pixel is the official photography and design club of IIM Sambalpur. We capture moments, create visuals, and bring stories to life — both behind the lens and on the screen. From covering campus events to designing impactful creatives, we are the visual storytellers of the institute.

Office of International Relations

The Office of International Relations (OIR) at IIM Sambalpur fosters global competence through initiatives like the International Student Exchange Programme, ELITE Guest Sessions, and International Immersions. Students study at top institutions such as SolBridge and ALBA, while over 16+ MoUs enable academic and strategic collaborations, including collaborative research and student-faculty exchanges with leading global universities.

PR and Media Committee

The PR and Media Committee acts as the official voice of IIM Sambalpur, bridging the gap between the institute and the world through engaging content, strategic communication, and event curation. From managing the institute's official social media presence to organizing flagship events like TEDxIIM Sambalpur and prestigious national-level competitions, we ensure that the vibrant spirit, achievements, and culture of our campus resonate far beyond its boundaries.

Sigmato – The Operations Club

Sigmato, the Operations Club of IIM Sambalpur, channels operational excellence by bridging theory and practice through flagship initiatives like Lean Six Sigma certification, national conferences and hands-on events, empowering students with real-world problem-solving and strategic thinking skills.

Sahityam – The Library & Literary Committee

Sahityam, the Library and Literary Committee of IIM Sambalpur, promotes academic excellence and literary engagement through library initiatives, database training sessions, author interactions, and the Yearbook, while fostering creativity and intellectual exchange through quizzes, competitions, and other enriching campus events.

Sports Committee

The Sports Committee at IIM Sambalpur fosters leadership, teamwork, and resilience by driving a vibrant sports culture. It conducts Section Wars for MBA-1, MBA-1 vs MBA-2 competitions, Campus Cricket League, hosts Utkrishtha—the annual sports fest—and promotes participation in inter-IIM events.

Synergy

Synergy, the official dance troupe of IIM Sambalpur, represents the institute's dance talent across interschool competitions and cultural events, adding vibrance to campus life through expressive performances and creative showcases.

Students' Affairs Council

The Students' Affairs Council (SAC) is an elected student body that serves as the principal liaison between the student community and the Institute's administration, representing their interests to internal and external stakeholders. It oversees all student-led activities and proactively works to enhance campus life by fostering an inclusive, engaging, and supportive environment.

R-Squared

R-Squared empowers students with analytical and visualization skills through hands-on workshops, real-time projects, and industry-focused events in Data Analytics and Business Intelligence.

Academic Committee

The Academic Committee at IIM Sambalpur serves as the official link between students and the academic administration, ensuring fairness, transparency, and discipline in all academic processes. From resolving student concerns and refining curriculum to managing electives & guest lectures, the committee plays a pivotal role in shaping the academic experience. With direct faculty interaction and policy-level involvement, members gain valuable exposure while upholding the institute's academic standards with professionalism and integrity.

Hridaya – The HR Club

HRidaya – Igniting HR Minds, Inspiring Future Leaders
HRidaya, the HR Club of IIM Sambalpur, is committed to shaping competent and forward-thinking HR leaders by bridging academic rigor with industry relevance. Through initiatives such as our HR quiz, strategic debate forums, and policy simulations, the club fosters analytical thinking, leadership, and real-world problem-solving. The Internship Diaries series further enriches peer learning by offering actionable insights from industry experiences, positioning HRidaya as a catalyst for professional and experiential growth on campus.

Student Profiles (Experience-Based)

VIPIN KUMAR

My first-year MBA journey enhanced my understanding of operations, project management, and decision-making through simulations, projects, and warehouse optimization initiatives at Pepperfry.

Work Experience :
90 Months

Work-Ex Company :
Maruti Suzuki India Limited
Cavendish Industries limited (A unit of JK tyre)
CMR Green Technologies

Graduation :
Bachelor of Engineering/
Bachelor of Technology

SIP Company :
Pepperfry Limited

www.linkedin.com/in/vipin-kumar-7a672b11a

MRATUNJAY SINGH CHAUHAN

As someone who values precision, my biggest learning was that not every problem has a perfect answer. Sometimes progress comes from choosing the right approach rather than chasing perfection.

Work Experience :
56 Months

Work-Ex Company :
New Snow-White Dry Cleaners
BA Continuum India Pvt. Ltd.

Graduation :
Bachelor of Commerce
(Honors)

SIP Company :
Rani Pink

<https://www.linkedin.com/in/mratunjaychauhan>

SUNNY SINHA

Developed analytical, communication, and stakeholder management skills through my MBA, PR & Media leadership, and Wealth management internship

Work Experience :
54 Months

Work-Ex Company :
Banglore Defence Academy
Central Reserve Police Force(CRPF)

Graduation :

Placement PROCESS & RULES

The placement process consists of the following stages:

Placement COMMITTEE DETAILS

The Placement Committee of IIM Sambalpur is a student-driven autonomous body that oversees placement and career advisory activities to guide students in choosing the right career paths and helps students develop the knowledge, skills, and aptitude required for their careers on behalf of the institute. The committee plays an integral part in bridging the gap between the Institute and the Industry to create a symbiotic relationship between them which in turn helps develop talented professionals having exceptional business skills and acumen. The part played by the Placement Committee is instrumental in ensuring that the students of this institute gain meaningful industry exposure through live projects, leadership connects, summer internship programmes, and final placements.
